### Training Details...

Our first few weeks of training will be to familiarise the kids (and parents) with the process, the first training session will take place in the first week of September. Due to the large number of players these training days will be split into different days to allocate enough space and time for each age bracket.

Tentatively the schedule for training will look something like this:

**T-Ball & Rookie Ball:** Wednesday afternoon

**Little League & Junior League:** Tuesday & Thursday afternoon

**Senior League:** To be confirmed

Training starts at 4.30pm to 5.30pm - be there ready to go with hat, glove, and water bottle. In the case of wet weather we will post details on our web site <http://coomera.baseball.com.au/> and Facebook page. Please note that training is ALWAYS ON until we advise otherwise.

### **Junior Coaches - Expression of Interest**

Are you interested in coaching or assisting our coaches with a team this Summer Season? We have had a great turn out at our Sign-ons this year and we will be entering more teams into the competition than we did last year....so we need your help!!!

A big thanks to all of you who have already offered to coach, but we do need a few more volunteers to run our teams. Whether you have coached before or would like to get more involved and learn more about the game of baseball, we would love to hear from you.

The club will run a coaches clinic in September for all interested parties. All certification fees will be covered by the club.

Please email your interest to our Junior Coordinator - Ben at [juniors@coomeracubs.com](mailto:juniors@coomeracubs.com)

Looking forward to seeing you all on the diamond soon!!  
Go Cubs !!!
