Club History

The Coomera Cubs Baseball Club is a local non-profit baseball organisation with a membership of more than 300 juniors, seniors and volunteers. The club, has been a part of the local community for the past 10 years. In this time, the club has continued to provide a family atmosphere, whilst focusing on education, teamwork and leadership skills.

As a member of the Gold Coast Baseball Association and affiliation with Baseball Queensland and Baseball Australia, the club has been very active over the past couple of years in growing its membership and developing its players.

With recent representation of players at Australian, State and Regional levels the club has grown into one of the largest in Queensland. Our unmatched Academy program to train our juniors and a continual focus on providing the best baseball education for our members is continuing to see the club grow from strength to strength.

The club has an active engagement with the local schools providing clinics each year as well as Annual programs such as the NxtGen hosted by former Major League players. The club hosts a number of tournaments each year and continually provides exposure to our players to competitions all around the SEQ region.

Sponsorship Packages

To help off-set rising costs associated with registration fees, insurance and maintenance on the baseball fields, the club routinely makes applications for sport grants and is in the process of developing unique after school baseball programs and member loyalty programs between our members, their families and our partnering businesses. The club firmly believes in making baseball fun and has created a real sense of family and community for our members and our stakeholders, including our much appreciated sponsors.

However, like all non-profit organisations, the Cubs rely on the support of its much appreciated partnering businesses community. We realise that times are tough and only getting tougher and to make the request for sponsorship a little bit easier, we can tailor a package that meets with both a) your budget and b) your cash flow.

Our sponsors include: Bendigo Bank and Nucrush Good Neighbour Programme, and we thank them for their continued support. We would be honoured to have your business join these prominent organisations as an official sponsor of the Coomera Cubs Baseball Club.
